(B) Carrier will not be liable for loss or damage to baggage, luggage or the contents thereof unless occasioned by lack of due care on the part of the carrier or its Agents and then only for the reasonable value thereof, subject to a maximum liability of \$250.00 for the loss of or damage for to any single piece of baggage, including its contents thereof. (C) Claims for loss of baggage must be communicated to the carrier at the time the passenger arrives at his/her final destination. Carrier will not settle claims on the spot in any circumstances. The passenger will have 7 days to submit a supporting written claim which must contain sufficient information regarding such loss. The carrier shall have a reasonable time in which to locate the lost baggage before making settlement, which will be not less than fourteen (14) days after being notified of such loss. Within fourteen (14) days after receipt of the written claim with supporting documents, the carrier shall (a) compensate the passenger or (b) deliver the passenger a written denial of the claim. In an effort to charge a portion of processing expenses to our clients we are applying a 2.5% CC Processing Fee to all credit card transactions resulting in a cost to the company.
- 9 **Control Assistance Fee:** A fee of \$4.00 will be applied to all service where additional staff is required to be on location as requested by a client or needed by the guest per ride.*

**Control Assistance Fee is defined as a controller on location as designated by the client. When required to have an onsite lead staff member up to a supervisor level to coordinate passenger flow for twenty four hours a day or as elected. This will be required by our clientele to assist and maintain increased volume areas on front drivers, arenas etc. This will keep chauffeurs in their vehicles and clear passenger loading areas to safeguard the masses and pedestrians.*
